Bob Hoose has been part of the Southern California deep-sea fishing scene for the better part of three decades. He grew up in Orange County, and early in his fishing days worked for Newport Bait Co. He then worked as a deckhand on various local charter boats, eventually making his way to Cabo San Lucas as a deckhand and fine-tuning his craft. Upon returning to Orange County, he became manager of the tackle department at Bisbee's Sport-fishing.

Hoose then transitioned to a West Coast marketing and sales position at Sevenstrand, a well-known California-based fishing lure manufacturer. Sevenstrand was acquired by Pure Fishing — a large global family of fishing tackle brands including Berkley, Fenwick, Abu Garcia, Spiderwire, Stren and Shakespeare, then for a number of years, Hoose became Pure Fishing's Western field marketing manager.

Hoose's years of experience, both on the water fishing and in marketing and sales of leading fishing products, make him a treasure trove of fishing information. He periodically shares his expertise in print, as author of many how-to articles in a variety of publications, as well as sharing his expertise at seminars.

An evening you won't want to miss!

2018 DAY AT THE DOCKS

This annual event located at the Sportfishing landings in Point Loma is on Sunday, April 15, 2018 from 9am – 4pm. This has to be one of the best fishing shows in San Diego and, best of all, it's FREE. If you do not get a chance to make it to the Fred Hall Fishing Show in Del Mar, then don't miss out on your last chance to score on some great deals on fishing equipment and terminal tackle. There will be food, seminars, cooking demos and of course the FREE Kids Fishing Pens. Speaking of the kids fishing pens run by the San Diego Anglers, we need your help. If you have not signed up to volunteer for one of the 2-hour time slots, please make sure to sign up at the next club meeting on February 7th or email us at sdaboard@gmail.com. The kids have a great time, and the more volunteers we have, the better. As always, we will have our club information booth located right in front of the Fisherman's Landing Pier. Be sure to stop by and visit.

Some marine protected areas (MPAs) restrict or prohibit sport fishing within MPAs. - Shore-based anglers are fishermen that fish from beaches, banks, piers, jetties, breakwaters, docks and other manmade structures connected to the shore.
- Divers are spear fishermen entering the water either from the shore or from a boat or other floating object.
